FACES UnMasked Event

Beyond the Face

A Festive Evening of Unique Art, Food, & Fun

Join us Thursday, October 27, 2016 for another great UnMasked Event

Many children with craniofacial anomalies live with fear and uncertainty and often feel as though they live behind a mask. That's why we've created FACES UnMasked, a unique event and auction. Special masks and artwork will be created by local and national artists, celebrities, sports figures and personalities who are donating their time and talent to make it easier for FACES patients and families to get the help they deserve. Proceeds from the mask auction will directly help *FACES fund clients who travel for life-changing surgeries.
